TERM 2

Term 2 has flown by! Year 7 enjoyed our first school trip to Biggin Hill as part of their topic work. Since working with Mr Rummary, some of our students are becoming highly skilled at climbing and are working towards formal qualifications. Students have taken part in amazing science, English and maths lessons throughout the term. Our careers education has also been a great success with many of our students having had a 1:1 careers meeting with the Futures Team.

We have also welcomed some new students and a number of new staff. We are also looking forward to welcoming more new staff and students in January as our school continues to expand.

CHRISTMAS
TREE

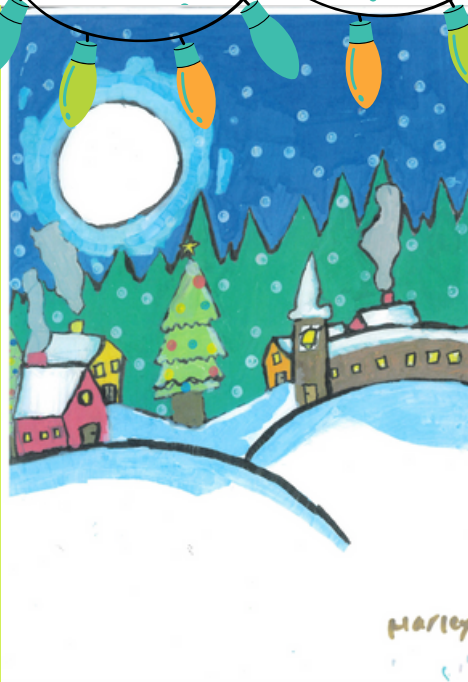

FROM FARM TO CLASSROOM
STUDENTS SELECTING, CUTTING AND
THEN DECORATING OUR CHRISTMAS TREES

National Christmas Card Competition

Well done to Harley in Year 7 for his amazing Christmas card design - He came 3rd nationally out of over 70 schools! We are all very proud!

National Indoor Climbing Award Scheme

Well done to Jack in Year 9 - pictured here at the Ordinary Climbers Gym. He is well on his way to achieving his NICAS Level 1

Bricklehurst Christmas Dinner

Thank you to our new Chef - Sam for a delicious Christmas Dinner! It was a great day with jumpers, crackers and pigs in blankets!

Year 7 Visit to Biggin Hill

Year 7 had their first trip when they went to RAF Biggin Hill as part of our learning on "Britain At War". Students had the opportunity to view artefacts from the war, use morse code to communicate with each other, experience what it took to become a pilot in the war, visit a replica Anderson Shelter and view an exhibition on women at war. The trip was fun and informative and we look forward to returning in the future.

Parents Evening

Thank you to those who attended our first parents evening. It was lovely to be able to use the Manor House and to welcome parents in. We hope you found it beneficial. We really valued the feedback we received and we are committed to improving communication - our new parent portal should help with this!

Tell us what we are doing well

The personalised, tailored approach.

The nurturing environment

Positive future pathways

Tell us what we need to do better

Better communication

Timely communication

Nothing at the moment!
