Appendix 3 Vision Statement

1.0 School Vision

- 1.1 At Bricklehurst Manor School, we are driven to provide an exceptional experience for our students in a calm and safe environment, with the aim of preparing them for the future and the next stages on their learning journey. One of our key drivers makes reference to making sure that our students;

“have a deep understanding of their own abilities and potential and of their unique place in the world around them”

- 1.2 The governing body have therefore adopted this policy in order to provide a clear commitment to and framework for Careers Education, Information, Advice and Guidance.

2.0 Policy Scope

- 2.1 This policy covers Careers Education, Information, Advice and Guidance given to students in Key Stages Three and Four.
- 2.2 The policy has been reviewed in line with the recently published DfE guidance document ‘Careers guidance and access for education and training providers – Statutory guidance for governing bodies, school leaders and school staff’. (DfE, January 2023).
- 2.3 This policy accepts the 8 Gatsby Charitable Foundation’s benchmarks as set out in the DfE guidance. They can be seen in Appendix 1 of this policy.
- 2.4 This policy covers the legal duty of schools to ensure that a range of education and training providers can access pupils in Year 8-11 for the purpose of informing them about approved technical education qualifications or apprenticeships.
- 2.7 This policy refers to events and opportunities in Key Stages 3 & 4 and these events will impact upon all students at the school.
- 2.8 All members of staff at Bricklehurst Manor School are expected to be aware of this policy and the importance of Careers Education, Information, Advice and Guidance (CEIAG) in the education of students; CEIAG is not the sole responsibility of the Careers Lead.
- 2.9 It is important therefore that students leave school aware of themselves as individuals, aware of the opportunities available to them and able to make some

decisions about their own life. They should be prepared for the transition from full time education to the world beyond. It is to these aspects of personal and social development that this policy will contribute.

3.0 Objectives:

- 3.1 The objectives of the Careers Education, Information, Advice and Guidance policy are as follows:
 - 3.1.1 To ensure that all students at the school receive a stable careers programme;
 - 3.1.2 To enable all students to learn from information provided by the career and labour market;
 - 3.1.3 The CEIAG programme should be individual and address the needs of each student;
 - 3.1.4 To link curriculum learning to careers learning;
 - 3.1.5 To provide students with a series of encounters with employers and employees;
 - 3.1.6 To provide students with experiences of workplaces;
 - 3.1.7 To ensure that students have a series of encounters with further and higher education;
 - 3.1.8 To provide each student with the opportunity to receive personal guidance;

4.0 School Responsibilities

- 4.1 The school has a series of statutory duties:
 - 4.1.1 All registered pupils at the school must receive independent careers advice in Years 7 to 11
 - 4.1.2 This careers advice must be represented in an impartial manner, showing no bias towards a particular institution, education or work option;
 - 4.1.3 This advice must cover a range of education or training options;
 - 4.1.4 This guidance must be in the best interests of the pupil;

- 4.1.5 There must be an opportunity for education and training providers to access pupils in Year 8-11 to inform them about approved technical qualifications or apprenticeships. Cf. Section 6 of this policy;
- 4.1.6 The school must have a clear policy setting out the manner in which providers will be given access to pupils. Cf. Section 6 and Appendix 2. This policy and these arrangements must be published;
- 4.2 The school will base its careers provision around the Gatsby Benchmarks. A summary of these can be seen in Appendix 1, and they cross reference with the objectives of this policy cf. Section 3.
- 4.3 Bricklehurst Manor School believes that good CEIAG connects learning to the future. It motivates young people by giving them a clearer idea of the routes to jobs and careers that they will find engaging and rewarding. Good CEIAG widens pupils' horizons, challenges stereotypes and raises aspirations. It provides pupils with the knowledge and skills necessary to make successful transitions to the next stage of their life. This supports social mobility by improving opportunities for all young people, especially those from disadvantaged backgrounds and those with special educational needs and disabilities.
- 4.4 The school will continuously monitor its CEIAG offer and seek further improvement. This will be done by the personnel involved in the design and delivery of the programme as well as by external stakeholders who assess the work of the school (e.g. School Improvement Partner or Ofsted).

5.0 Governor Responsibilities

- 5.1 The governing body will ensure that the School has a clear policy on Careers Education, Information and Guidance (CEIAG) and that this is clearly communicated to all stakeholders. They should ensure that this policy is:
 - 5.1.1 based on the eight Gatsby Benchmarks;
 - 5.1.2 meeting the school's legal requirements;
- 5.2 The governing body will ensure that arrangements are in place to allow a range of educational and training providers to access pupils in Years 8 - 11.

- 5.3 There will be a member of the governing body who takes a strategic interest in CEIAG and encourages employer engagement.

6.0 Provider Access

- 6.1 Introduction - This section of the policy sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.
- 6.2 All pupils in years 8-11 are entitled:
- 6.2.1 to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
 - 6.2.2 to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
 - 6.2.3 to understand how to make applications for the full range of academic and technical courses.
- 6.3 Appendix 2 shows the way in which education and training providers should get in touch with the school to gain access to pupils and/or parents to inform them about further opportunities.
- 6.4 The school will then work with providers to identify the most effective opportunity for them to share information about education and training opportunities.

7.0 Monitoring, Evaluation and Review

- 7.1 The Headteacher will ensure that:
- 7.1.1 the work of the Careers Advisor and CEIAG events are supported and monitored;
 - 7.1.2 a member of the Senior Leadership Team has an overview of CEIAG work and reports regularly back to the team;

- 7.2 The effectiveness of this policy will be measured in a variety of ways:
 - 7.2.1 Feedback from stakeholders through mechanisms such as Heath Farm student and parent surveys;
 - 7.2.2 Feedback from external visitors to the school such as the School Improvement Partner (SIP) or Ofsted;
 - 7.2.2 The number of students who are NEET in October having left the school in the previous summer. This figure can be compared to national figures as well as against the equivalent figure from similar schools both nationally and within the county.
- 7.3 The governors of Bricklehurst Manor School will review this policy every three years.

Appendix 1 The Gatsby Benchmarks

1. A stable careers programme	Every school and college should have an embedded programme of career education and guidance that is known and understood by students, parents, teachers, governors and employers.	Every school should have a stable, structured careers programme that has the explicit backing of the senior management team, and has an identified and appropriately trained person responsible for it. The careers programme should be published on the school's website in a way that enables pupils, parents, teachers and employers to access and understand it. The programme should be regularly evaluated with feedback from pupils, parents, teachers and employers as part of the evaluation process.
2. Learning from career and labour market information	Every student, and their parents, should have access to good quality information about future study options and labour market opportunities. They will need the support of an informed adviser to make best use of available information.	By the age of 14, all pupils should have accessed and used information about career paths and the labour market to inform their own decisions on study options. Parents should be encouraged to access and use information about labour markets and future study options to inform their support to their children.
3. Addressing the needs of each student	Students have different career guidance needs at different stages.	A school's careers programme should embed equality and diversity

	<p>Opportunities for advice and support need to be tailored to the needs of each A school's careers programme should actively seek to challenge stereotypical thinking and raise aspirations. student.</p>	<p>considerations throughout. Schools should keep systematic records of the individual advice given to each pupil, and subsequent agreed decisions. All pupils should have access to these records to support their career development. Schools should collect and maintain accurate data for each pupil on their education, training or employment destinations.</p>
4. Linking curriculum learning to careers	<p>All teachers should link curriculum learning with careers. STEM subject teachers should highlight the relevance of STEM subjects for a wide range of future career paths.</p>	<p>By the age of 14, every pupil should have had the opportunity to learn how the different STEM subjects help people to gain entry to, and be more effective workers within, a wide range of careers.</p>
5. Encounters with employers and employees	<p>Every student should have multiple opportunities to learn from employers about work, employment and the skills that are valued in the workplace. This can be through a range of enrichment activities including visiting speakers, mentoring and enterprise schemes</p>	<p>Every year, from the age of 11, pupils should participate in at least one meaningful encounter* with an employer. *A 'meaningful encounter' is one in which the student has an opportunity to learn about what work is like or what it takes to be successful in the workplace.</p>
6. Experiences of workplaces	<p>Every student should have first-hand experiences of the workplace through work visits, work shadowing and/or work experience to</p>	<p>By the age of 16, every pupil should have had at least one experience of a workplace, additional to</p>

	help their exploration of career opportunities, and expand their networks.	any part-time jobs they may have.
7. Encounters with further and higher education	All students should understand the full range of learning opportunities that are available to them. This includes both academic and vocational routes and learning in schools, colleges, universities and in the workplace.	By the age of 16, every pupil should have had a meaningful encounter* with providers of the full range of learning opportunities, including Sixth Forms, colleges, universities and apprenticeship providers. This should include the opportunity to meet both staff and pupils.
8. Personal guidance	Every student in Year 7-11 should have opportunities for guidance interviews with a career adviser, who could be internal (a member of school staff) or external, provided they are trained to an appropriate level. These should be available whenever significant study or career choices are being made.	Every pupil should have had at least one such interview by the age of 16

Appendix 2

Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8 to 11 are entitled

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)

Management of provider access requests

Procedure

A provider wishing to request access should contact the Careers Lead and Deputy Headteacher, Carly Sargeant

Telephone: 01580857271

Email: Carly.sargeant@bricklehurstmanor.co.uk

Opportunities for access

The school offers the six provider encounters required by law and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.

Please speak to our Head Teacher to identify the most suitable opportunity for you.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and pupils, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the HeadTeacher or a member of their team.

Meaningful online engagement is also an option and we are open to providers that are able to provide live online engagement with our pupils.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school reception. Students are able to access this information at any time via the Head Teacher.

Safeguarding

All visitors will be expected to adhere to our Safeguarding Policy.

Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the Making it meaningful checklist.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

Appendix 3

Careers at Bricklehurst manor

Our Vision

We are driven to provide an exceptional experience for our students in a calm and safe environment, with the aim of preparing them for the future and the next stages on their learning journey.

Our commitment

Careers guidance that is relevant, high quality and timely is essential if we are to prepare our young people for the future beyond Bricklehurst Manor School and as such, we have a critical role to play. Our learners will be embarking upon a career pathway, which is more challenging and complex than that faced by previous generations. Global opportunities and increasing technological advances will result in young people having several careers during their working life and potentially working in a career that does not currently exist. High quality careers education and guidance in school is critical to young people's futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps students to choose their pathways, improve their life opportunities and contribute to a productive, vibrant, and enriched society.

With the greater choices of education, training and employment, our aim is to prepare learners for these ever-changing opportunities, responsibilities and experiences and to equip them with the skills to manage the choices, changes and transitions ahead of them.

Feel Think Do

We realise our vision through our three key drivers, which permeate everything we do at Bricklehurst Manor. Our Careers Education, Information, Advice and Guidance will also adhere to these three drivers.

Feel – Emotional regulation, positive mental health and a confidence in self are essential when making key decisions. All CEIAG will need to be mindful of this and ensure students are in the best possible position to understand options and make decisions

Think – A secure emotional base enables critical and creative thinking. Decisions are best made when all of the options are available and an analysis of career opportunities and challenges can be made from a position of knowledge. Our CEIAG will give students the full range of options to enable considered decisions.

Do – Students need opportunities to engage with the world of work. Working in partnership with the local community, providers and businesses our CEIAG will empower students with practical, hands on experiences of completing applications, attending interviews, and real work and further education experiences.

Entitlement

We have a whole school approach to careers education with every member of staff helping to deliver quality and impartial Careers Education, Information, Advice and Guidance, allowing learners to access the necessary information to help them make informed decisions about their futures. Our careers programme throughout the year supports our careers education curriculum and in line with the most recent careers guidance strategy (January 2023), our careers plan supports the achievement of the eight Gatsby benchmarks. Careers Education at Bricklehurst Manor is not just a stand-alone strand; it is integrated into every area of the school and woven into the school curriculum. Our aim is that learners understand how what they are being taught, will link to their future pathways.

We aim to build strong links with further education colleges and providers, local businesses, and the wider business community.

Aims and Objective

The careers education, information and guidance programme is designed to meet the needs of each and every learner at Bricklehurst Manor School. It is differentiated to ensure progression through activities that are appropriate to our learners' stages of career learning, planning and development.

All of our learners will participate in weekly Skills Builder sessions.

Secondary students will have personal logins to online platforms such as JED and Unifrog so that they can access up to date labour market information.

Work experience will be offered to KS4 students.

Students will have regular encounters with employers and employees through workshops and visits.

The main aims of the careers provision at Bricklehurst Manor School are to:

- Develop and maintain a culture of high aspirations through a fully embedded careers education, advice, information and guidance programme.
- To raise and track learners' engagement within the careers programme during their journey through Bricklehurst Manor School and to ensure that learners are supported in voicing their aspirations whilst being mindful of the ever-changing and competitive world around them.
- Build a continuously increasing and relevant network of partners and providers who can engage learners in developing their career pathways. These will work in partnership with subject areas/key stages to develop collaborations enabling opportunities for learners to see clear links between their subject learning and the world of work.

Legal framework

This policy has due regard to legislation and statutory guidance, including, but not limited to, the following:

- DfE 'Careers guidance and access for education and training providers' January 2023
- Education Act 2011
- Education and Skills Act 2008
- Apprenticeships, Skills, Children and Learning Act 2009
- Equality Act 2010
- Children and Families Act 2014
- Technical and Further Education Act 2017
- Skills and Post-16 Education Act 2022
